A Message from our President

The 14th St. Uptown Business Association (1-4 UBA) has compiled this complete listing of every business and commercial property established in the District of Columbia's Ward 4 community. It includes properties for sale and/or lease, vacant and occupied, church storefronts, as well as office and apartment/condominium/co-op complexes located on commercially zoned streets, with listings of homes that are also zoned commercial.

With your help, it is our commitment to you, to improve upon this document, by updating both its content and accuracy, annually. In January, of each successive year, we will release a new publication. Should you find any errors or omissions, incorrect spellings or addresses, new additions, deletions or changes in status, please advise us – in essence – be our eyes and ears.

We hope you find this publication to be a useful, beneficial resource guide, in our collective efforts to improve both our Ward and our city. As an Internal Revenue Service (IRS) recognized 501(c)(3) public charitable organization, contributions to 1-4 UBA are deductible under section 170 of the IRS Code. There is no charge for this publication.
