ANC 4C Resolution In Support of a Traffic Calming Device installed in the 4400-4500 Blocks of 7th Street, NW

Adopted: April 8, 2008

At a properly noticed and quorum present of the Advisory Neighborhood Commission 4C (ANC4C) on Thursday, November 13, 2008, a resolution was presented by Commissioner Anthony, SMD4C07, seconded and voted Unanimously by the Commission to adopt the following resolution of the Commission:

WHEREAS; Residents of the 4400-4500 Blocks of 7th Street, NW are concerned about pedestrian and vehicular safety;

WHEREAS; the Block Club of the 4400-4500 Blocks of 7th Street, NW have circulated a petition among the residents of the block requesting a traffic calming device be installed to address their concerns;

WHEREAS; the petition has the pre-requisite number of signatures for installing a traffic calming device.

WHEREAS; the ANC4C voted to support the request of the residents of the 4400-4500 Blocks of 7th Street, NW for traffic calming device installed.

THEREFORE, BE IT RESOLVED; that the ANC 4C supports the request and signed petition for a traffic calming device to be installed in the reference city blocks.

Signed

Joseph Martin, Jr., Chair,
ANC 4C09
