Re: Application No. 43909

Dear Mr. Carl Kanhai,

At a properly noticed and a quorum present at the Advisory Neighborhood Commission 4C held on March 10, 2009, a motion by Commissioner Tumblin was made to approve the permit application No. 43909 to occupy public space for the purpose of paving: curb & gutter (s) paving: sidewalk(s) and the installation of one driveway at the premises of 3732 Georgia Avenue NW, Washington, DC 20010. The motion was seconded and passed, 8 in favor with 1 Commissioner abstaining.

The ANC supports this permit, as long as the contractor ensures the construction aligns to the most current requirements of the Great Streets initiative for this portion of Georgia Avenue, NW.

Based on the foregoing, ANC 4C respectfully requests that the District Department of Transportation, Public Space Management Branch give great weight to the Commission's position to support the public-space permit application No. 43909 to occupy public space for the purpose of paving: curb & gutter (s) paving: sidewalk (s) and the installation of one driveway at the premises of 3732 Georgia Avenue NW.
